below next to my nam or an original, first ar	e and that I believe thand joint inventor [if place	at I am the oural names	the my residence, post original, first, and sole are listed below] of the tion of which is attache	inventor [if e subject n	only one namatter which i	ne is listed below] s claimed and for
TITLE:	"Method	and	Apparatus	for	Cell	Sorting"
I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment specifically referred to in the oath or declaration. I acknowledge a duty to disclose information which is material to the examination of this application in accordance with 37 C.F.R. 1.56(a). In addition, if this is a continuation-in-part application under 35 U.S.C. 120, I acknowledge the duty to disclose all information known to be material to patentability as defined in 37 C.F.R. 1.56 which becomes available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part.						
I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Title 18, United States Code, Section 1001, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
